The State of Missouri, Japan Trade & Investment Office will participate in the **JAIMA Show 2005**, an exhibition showcasing analytical technologies across a range of industries. Let us represent you at this trade show by sending product literature and/or product samples. Missouri trade staff will promote your company and forward trade leads made at the show.

Who should participate?

Manufactures of analytical equipment and services involved in:

- Measuring Instruments
- Chemicals
- Medicine
- Electrical Machinery
- Foodstuffs
- Environmental Analysis
- Petroleum, & Petrochemistry
- Rubber & Plastics
- Semiconductors
- Medical Treatment

Who visits the show?

Professionals involved in R&D, analysis, testing, inspection, manufacturing quality control, materials control, corporate directors, nearly half with purchasing authority.
